

Welcome to the APVMA PubCRIS database search

To search for details including product name, registering company, active constituents and product category, enter single or multiple keywords into the field and click search. For information on stopped, cancelled and expired registrations please use the advanced search options. Results can be sorted by clicking on the arrows in the title bar. If you are experiencing difficulties using this system please [contact us](#) for assistance.

Note: Product Expiry Dates are updated during the renewal period in July each year. Active Constituent Approvals do not have expiry dates.

Search products

Keywords (required):

Product, ID, registrant, pest, host, or active. Searches on phrases should be enclosed in double quotation marks e.g. "adf clothing".

Advanced search ▲

Search terms include **Filter on** Registration

Only has protected data:

Category: -- Select value --

Product type: ANTIBIOTIC & RELATED

Registered state: -- Select value --

Poison schedule: -- Select value --

Formulation type: -- Select value --
